Unlawful Harassment_____

(INCLUDING SEXUAL HARASSMENT) POLICY CompleteStaff is committed to a policy of equal opportunity for all its employees. It is our policy to seek and employ the best qualified personnel in all positions, to provide equal opportunity for assignment or advancement to all employees, and to administer these activities in a manner which will not discriminate against or give preference to any person because of race, color, religion, age, sex, national origin, disability, ancestry, or any other discriminatory basis prohibited by state, federal or local law.

CompleteStaff is further committed to providing a work environment in which employees are treated with courtesy, respect and dignity. As part of this commitment, CompleteStaff will not tolerate any form of unlawful harassment, verbal or physical, with regard to an individual's race, sex or national origin, or any other protected characteristic. Therefore, all employees are encouraged to bring forth any concerns or complaints in this regard to the attention of management, by contacting their account representative who will contact the Company Vice President or the Company President. If any CompleteStaff employee has any concerns in this regard when working on assignment, we encourage you to bring those concerns to our attention at the CompleteStaff office.

All complaints of sexual or other unlawful harassment will be investigated promptly and, where necessary, immediate and appropriate action will be taken to stop and remedy any such conduct. Any supervisor, agent or employee found in violation of this policy, will be subject to disciplinary action, up to and including discharge.

As for sexual harassment, CompleteStaff does not tolerate any form of sexual harassment in the workplace. Sexual harassment is any unwelcome advance, request for sexual favors, and/or other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made, either explicitly or implicitly as a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions (including salary or promotional decisions) affecting such individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

It is the intent of management to foster a work environment, which is free from the effects of sexual harassment. Although most sexually harassing situations occur male to female, such situations can arise female to male, male-to-male, and female-to-female and sexual harassing situations can involve manager/subordinate, co-workers, third parties, and nonemployees. We therefore strongly encourage any CompleteStaff employee to bring forth any concerns or questions about any conduct that may constitute sexual harassment so that management can act upon that information.

CompleteStaff will not retaliate against an employee for making a complaint under this policy or for assisting in an investigation of a complaint. However, anyone found to have made a bad faith complaint or given false information will be subject to disciplinary action, up to and including discharge.

Substance Abuse Policy

CompleteStaff has implemented this policy in response to overwhelming national evidence that alcohol and drug abuse has a detrimental impact on job performance, safety, and efficiency. The use or possession of alcohol, drugs, or other intoxicants creates a serious threat to the health and wellbeing of the user, the user's family, friends, and fellow employees. The purpose of this policy is to inform CompleteStaff employees of the discipline policy relating to alcohol and drugs. This policy shall be deemed part of the personnel policies. As such, it is subject to addition, modification or deletion from time to time upon notice to employees.

An illegal drug is any drug which cannot be legally obtained (e.g. marijuana, narcotics, hallucinogens, etc.) or which although legal has been illegally obtained (e.g. prescribed drugs not legally obtained or prescribed drugs not being used for prescribed purposes by the person for whom prescribed).

Employees using, selling, transferring, or possessing alcohol or illegal drugs during scheduled work hours shall be subject to immediate discharge. The use of alcohol or illegal drugs, which results in negative work performance, or erratic conduct in the workplace, is likewise prohibited. Any personal property on company premises may be subject to inspection.

Each employee will be tested for drugs and alcohol after a work-related accident, if they have been observed using a prohibited substance on the job, or if the company has other reasonable cause for testing them. An employee who fails to submit to required testing will be subject to discipline, including termination.

"Reasonable cause" means the action, appearance or conduct of an employee, while working, indicative of the use of a Controlled substance. This is based on the appearance, behavior, speech, or breath odor of the employee.

If an employee is deemed "under the influence" they will be subject to immediate termination. If a drug screening test reveals that an employee has traces of illegal drugs in his/her system, these test results will be considered as evidence that the employee was "under the influence" of illegal drugs at the time of the test and also subject to immediate termination.

Current dependence upon, or use of, illegal drugs or misuse of legal drugs are valid reasons for rejecting an applicant for employment. Consistent with this reasoning, CompleteStaff requires job applicants to submit to a pre-employment drug screen in many cases. All job applicants must be advised of the purpose and possible consequences of the tests. Applicants who test positive, who refuse to take the test, or who otherwise don't complete the test according to established procedures and guidelines will be disqualified from employment consideration. You are an employee and a representative of CompleteStaff during your assignment. We work hard to develop and maintain a high level of professionalism with our clients. You represent CompleteStaff while at work. Please maintain your professionalism at all times. Remember, the best way for you to secure a permanent job through CompleteStaff is to be responsible.

Any violation of CompleteStaff's procedures CAN AND WILL result in your termination.
